

Rev. 03-12-2020

**Deck Shield Bracket**

Part No. PPP-DSB – pkg of 1

Remove and reuse 3/8" bolt (from deck post stabilizer pin) placing bolt through 3/8" mounting hole of *Deck Shield Bracket* loosely securing to deck post pin.

Position slotted hole-end of *Deck Shield Bracket* in its best-suited position for securing to deck shield.

Where more or less *Deck Shield Bracket* angle is desired, use bench vice for best results while increasing or decreasing *Deck Shield Bracket* angle.

Fully secure *Deck Shield Bracket* fasteners.
